A SHANTY IN OLD SHANTY TOWN

It's only a shanty in old shanty town
The roof is so shanty it touches the ground
But my tumbled down shack by an old railroad track
Like a millionaires mansion is calling me back
I'd give up a palace if I were a King
It's more than a palace it's everything
there's a queen waiting there with a silvery crown
In a shanty in old shanty town

After you've gone

After you've gone and left me crying,
after you're gone there's no denying
You'll fee blue ,you'll feel sad,
you'll miss the bestest gal you've ever had
There'll come a time, now don't forget it,
there'll come a time when you'll regret it
Oh Babe think what you're doing,
You know my love for you will drive me to ruin
After you've gone, after you've gone away

Ain't misbehavin'

No one to talk with
All by myself
No one to walk with
But I'm happy on the shelf
Ain't misbehavin'
I'm savin' my love for you

I know for certain
The one I love
I'm through with flirtin'
It's just you I'm thinkin' of
Ain't misbehavin'
I'm savin' my love for you

Like Jack Horner
In the corner
Don't go nowhere
What do I care?
Your kisses are worth waitin' for
Believe me

I don't stay out late
Don't care to go
I'm home about eight
Just me and my radio
Ain't misbehavin'
I'm savin' my love for you

Ain't she sweet

Bb

Ain't she sweet

See her coming down the street

now I ask you very confidentially Ain't she sweet

Ain't she n-tee

Look her over once or twice

Now I ask you very confidentially Ain't she nice

Just cast an eye in her direction

Oh me, Oh my, Ain't that perfection

I repeat

don't you think that's kind of neat

And I ask you very confidentially Ain't she sweet

Can't you see, I can't do without you
Take my lips, I want to lose.....them,
Take my arms, I'll never use.....them
Your goodbye, left me with eyes that cry
How can I, go on dear without you
You took the part, that once was my heart
So why not take all of me ?

ARE YOU LONESOME TONIGHT

Are you lonesome tonight?
Do you miss me tonight?
Are you sorry we drifted apart?
Does your memory stray
To a bright summer-day?
When I kissed you and called you sweetheart?
Do the chairs in your parlour seem empty and bare?
Do you gaze at your doorstep and picture me there?
Is your heart filled with pain?
Shall I come back again?
Tell me dear: Are you lonesome tonight?

As Time goes bye

You must remember this
A kiss is still a kiss
A sigh is just a sigh
The fundamental things apply as time goes bye

And when two lovers woo
They still say "I love you"
On that you can rely
No matter what the future brings, as time goes bye

Moonlight and love songs never out of date
Hearts full of passion, jealousy, and hate
Woman needs man, and man must have his mate
That no one can deny

It's still the same old story
A fight for love and glory
A case of do or die
The world will always welcome lovers as time goes bye

Baby Face

Baby face, You've got the cutiest little baby, face
There's not another one could take your place
Baby-face, my poor heart is jumping
You sure have started something
Baby-face, I'm up in heaven when I'm in your fond embrace
I didn't need a shove, cause
I just fell in love with your pretty face

Baby won't you please come home

F

Baby won't you please come home
cause your bed is alone
I have tried so hard in vain
Nevermore to call your name.
When you left, you broke my heart,
oh darling why do have to part.
Every hour in the day you can hear me say,
Baby, won't you please come home?

I mean, baby, won't you please come home?
cause your dad is so alone
I tried so hard in vain
nevernomore to cal you name
now when you left me you just broke my heart
why did we have to part
every hour in the day
people way across the street
if you loved me you better come home

Ballin the Jack

First you put your two knees close up tight
Then you's way them to the left then you sway them to the right
Step around the floor kind of nice and light
Then you twist around and twist around with all your might
Strech you're lovin' arms straight out in the space
Then you do the Eagle Rock with style and grace
Swing your foot way 'round then bring it back
Now that's why what I call 'Ballin the Jack'

Beale Street Blues

I've seen the lights of gay Broadway,
Old Market Street down by the Frisco Bay,
I've strolled the Prado, I've gambled on the Bourse;
The seven wonders of the world I've seen,
And many are the places I have been,
Take my advice, folks, and see Beale Street first!

You'll see pretty browns in beautiful gowns,
You'll see tailor-mades and hand-me-downs,
You'll meet honest men, and pick-pockets skilled,
You'll find that business never ceases 'til somebody gets killed!

If Beale Street could talk, if Beale Street could talk,
Married men would have to take their beds and walk,
Except one or two who never drink booze,
And the blind man on the corner singing "Beale Street Blues!"

I'd rather be there than any place I know,
I'd rather be there than any place I know,
It's gonna take a sergeant for to make me go!

I'm goin' to the river, maybe by and by,
Yes, I'm goin' to the river, maybe by and by,
Because the river's wet, and Beale Street's done gone dry!

Bill Baily

F

Won't you come home Bill Bailey
Won't you come home
I'm feeling all alone
I'll do the cooking baby
I'll pay the rent
I know I've done you wrong
Oh remember that rainy evening
when I threw you out
with nothing but a fine tooth comb
I know I'm to blame-
ain't that a shame
Bill Bailey won't you please come home

Black and Blue

Bb

Cold, empty bed,
Springs hard as lead,
Pains in my head,
Feel like Old Ned,
What did I do
To be so black and blue?

No joy for me,
No company,
Even a mouse
Ran from my house;
All my life through,
I've been so black and blue.

I'm white, inside;
It don't help my case;
'Cause I can't hide
What is on my face.
Oh!

I'm so forlorn,
Life's just a thorn,
My heart is torn;
Why was I born?
What did I do
To be so black and blue?

How sad I am,
Each day I feel worse;
My mark of Ham
Seems to be a curse.
Oh!

Blues my naughty sweetie

There are blues that you get from loneliness
And there are blues that you get from pain
You get the blues when your lonely for your one & only,
the blues they're hard to explain
And there are blues that you get from longing,
but the meanest the meanest blues that be
the blues they got on my mind
The blues they are the meanest kind
The blues my naughty sweetie gave to me

Bourbon Street Parade

Let's fly down,
or drive down,
to New Orleans.
That city,
'so pretty,
it's so extreme.
I'll take you,
I'll parade you,
down Bourbon Street.
You'll see all the hot spots,
you'll meet all those big shots,
down on New Orleans.

BYE BYE BLACKBIRD

F

Pack up all my cares and woe,
Here I go, singing low,
Bye, bye blackbird.

Where somebody waits for me,
sugar's sweet, so is she.
Bye, bye blackbird.

No one here can love and understand me,
oh what hard luck stories they all hand me.
Make my bed and light the light,
I'll arrive, late tonight.
Blackbird, bye, bye

Bye Bye Blues

Bb

I got a big surprise when I saw you smile;

I never dreamed that it could be.

But now I realize since I saw you smile

There's only happiness for me, so...

Melody:

Bye bye blues, bye bye blues;

Bells ring, birds sing,

Sun is shi - ning, no more pi - ning,

Just we two smi-ling through;

Don't sigh, don't cry,

Bye bye blues.

Last time:

Bye bye blues.

Careless Love Blues

Bb

Love oh love oh careless love
Love, love oh careless love
You have caused me to weep
You have caused me to moan
You have caused me to lose my happy home

Don't never drive a stranger from your door
Don't never drive a stranger from your door
It may be your best friend knockin' on your door
Then it may be your brother, you will never now

Careless love, look how you carry me down
Careless love, look how you carry me down
You caused me to lose my mother
And she's layin' in six feet of ground
Carless love I can't let you carry me down

Careless love, you drove me through the rain and snow
Careless love, you drove me through the rain and snow
You have robbed me out of my silver
And out of all my gold
I'll be damned if you rob me out of my soul

You've worried my mother until she died
You've caused my father to lose his mind
Now damn you, I'm goin' to shoot you
And shoot you four five times
And stand over you until you finish dyin'

DAISY-DAISY

Daisy, Daisy, give me your answer do.
I'm half crazy, over the love of you.
It won't be a stylish marriage.
I can't afford the carriage.
But you'll look sweet, upon the seat,
of a bicycle made for two.

DARK TOWN STRUTTERS BALL

I'll be down to get you in a taxi, Honey
Better be ready 'bout half past eight
Now, Baby, don't be late
We're gonna be there when the band starts playing
You bet two steps we're gonna have a ball
We're gonna dance off both of our shoes
When they play those jelly roll blues
Tomorrow night at the dark town strutters ball.

Deed I Do

Bb

Do I want you
Oh my, do I
Honey, deed I do.

Do I need you
Oh my, do I
Honey, deed I do.

I'm glad that I'm the one who found you,
That's why I'm always hangin' 'round you.

Do I love you
Oh my, do I
Honey, deed I do.

I'm glad that I'm the one who found you,
That's why I'm always hangin' 'round
Hangin' around you.

Do I love you
Oh my, do I
Honey,
Honey,
Do I love you
Honey, deed I do

Dinah

F

Dinah is there anyone finer
in the state of Carolina
If there is and you know her
show her-to -me
Dinah with her dixie eyes blazin'
how I love to sit and gaze in
to the eyes of Dinan Lee
Ev'ry night 'why do I shake with fright
because Dinah might change her mind about me
Dinah, if she wandered to China
I should hop an ocean liner
just to be with Dinan Lee

Do I want you, Oh my do I, Honey honey deed I do

Do you know what it means to miss N.O.

C

Do you know what it means to miss New Orleans & miss it each
night & day

I know I'm not wrong the feelin's getting stronger the longer I stay
away miss it

moss..covered vines the tall sugar pines where mockin'birds used to
sing and

I'd like to see the lazy Mississippi hurryin' to spring

The moonlight on the bayou a Creole tune that fills the air

I dream about mag..nolias in June & soon I'm wishin'that I was here
do you

know what it means to miss New Orleans when that's where you left
you're heart

and there's something more I miss the one I care for more than I
miss N. Orleans

Now every'body gets the blues now and then
And don't konw what to do
I've had it happen many many times to me and so have you
But those days have gone and past
I found out what to do at last
When I feel aal in down and out, you will hear me shout

Hello Central give me Doctor Jazz
he's got what I need I'll say he has
when the world goes wrong and I got the blues
he's the man who makes me get out both my dancing shoes
the more I get the more I want it seems
I page old doctor Jazz in all my dreams
when I'm trouble bound and mixed
he's the guy that gets me fixed
Hello Central give me Doctor Jazz

FIVE FOOT TWO, EYES OF BLUE

Five foot two, eyes of blue
But oh, what those five foot could do
Has anybod seen my gal?
Turned up nose, turned down hose
Never had no other beaus
Has anybody seen my gal?
Now if you run into a five foot two
covered with fur
Diamond rings and all those things
You can bet your life it isn't her
But could she love, could she woo
Could she, could she, could she coo
Has anybody seen my gal?

FRANKIE AND JOHNNY

Frankie and Johnny were lovers,
Oh, Lordy, how they could love.
They swore to be true to each other,
Just as true as the stars above.
He was her man, but he was doin' her wrong.

Johnny left Frankie one evening,
He laughed as he kissed her goodbye
For he had a date at the tavern
With a gal named Nellie Bly.
He was her man, but he was gonna do wrong.

FROM THE TIME YOU SAY GOODBYE

From the time you say goodbye,
from the time you say cheerioh,
will you take a handshake true,
for your journey as you go.
Keep on praying within your heart,
that the time will surely fly,
to the day that we shall meet again,
from the time you see goodbye

Georgia on my Mind

GeorgiaGeorgia
the whole day through.
Just an old sweet songkeeps
Georgia on my mind.
Talkin' 'bout Georgial'm in Georgia.
A song of you comes as sweet and clearas moon light through the
pines.
Other arms reach out to me.
Other eyes smile tenderly.
Still in peaceful dreams I see the road leads back to you.
Georgiasweet Georgiano peace I find.
Just an old sweet songkeeps
Georgia on my mind. Just an old sweet songkeeps Georgia on my
mind.

HEART OF MY HEART

Heart of my heart, I love that melody
Heart of my heart, bring back those memories
When we were kids on the corner street
We were rough and ready guys
But, oh how we could harmonize
Heart of my heart, old friends were dearer then
Too bad we had to part
I know a tear would glisten
If once more I could listen
To that gang that sang
"Heart of my heart".

HELLO DOLLY

Bb

Hello Dolly, well Hello Dolly
It's so nice to have you back where you belong.
You're looking swell, Dolly, we can tell, Dolly
You're still glowin, you're still crowin,
you're still goin strong
I feel the room swayin, for the band's playin
One of your old favorite song's from way back when
So, take her wrap, fellas find her an empty lap fellas
Dolly'll never go away again.

His eye is on the sparrow

Why should I feel discouraged
Why should the shadows come
Why should my heart feel lonely
And long for heaven and home
When Jesus is my portion
A constant friend is He
His eye is on the sparrow
And I know He watches over me
His eye is on the sparrow
And I know He watches me

I sing because I'm happy
I sing because I'm free
His eye is on the sparrow
And I know He watches me (He watches me)
His eye is on the sparrow
And I know He watches
I know He watches
I know He watches me

I sing because I'm happy
I sing because I'm free
His eye is on the sparrow
And I know He watches me (He watches me)
His eye is on the sparrow
And I know He watches me (He watches me)
He watches me
I know
He watches
Me

Nobody else but you,

Boop-boop, I couldn\'t aspire,
To anything higher,
Than, filled with desire,
To make you my own!
Boop-boop-a-doop, boop-boop-a-doop!

I wanna be loved by you, just you,
And nobody else but you,
I wanna be loved by you, alone!

Aa-ah-um! Boop-boop-a-doop!

Nobody else but you,
I wanna be loved by you, a-lup-a-dup-a-dup-a-dup!
Boop-boop-a-doop

I'm gonna sit right down and write myself a letter **Bb**

I'm gonna sit right down and write myself a letter,
And make believe it came from you,
I'm gonna write words oh, so sweet,
They're gonna knock me off my feet,
A lot of kisses on the bottom,
I'll be glad I got 'em!

I'm gonna smile and say, "I hope you're feeling better,"
And close with love the way you do;
I'm gonna sit right down and write myself a letter,
And make believe it came from you!

Gonna smile and say, "I hope you're feeling better,"
And close with love the way you do;
I'm gonna sit right down and write myself a letter,
And make believe, make believe, make believe it came from you!

I'm looking over a 4 leaf clover **Bb**

I'm looking over a four leaf clover
that I overlooked before,
one leaf is sunshine, the second is rain
third is the roses that grow in the lane
no need explaining, the one remaining
is somebody I adore,
I'm looking over a four leaf clover
that I overlooked before

I'm sitting on the Top of the World

Never seen a sky so blue
I've never been happy with anyone
Like I am when I'm with you
Look at the sun shining up in the sky
I feel a little closer to heaven, baby
When I'm looking into your eyes
And as long as we're together, boy
I'm sitting on top of the world
Wanna feel this way forever, boy
I'm sitting on top of the world
Last night I lay in the dark
Tryin' to figure it out
Tryin' to talk to my heart
But now it's morning and I still don't know why
All I know is that you got me feeling so good
All I know is that it feels the way that true love should
Ain't no one luckier than you and I
And as long as we're together, boy
I'm sitting on top of the world
Wanna feel this way forever, boy
I'm sitting on top of the world
And everybody's got an opinion 'bout how this should be
But they don't understand it
No, no they just can't see
That I belong with you and baby Baby
Baby, you belong with me
And as long as we're together, boy
I'm sitting on top of the world
Wanna feel this way forever, boy
I'm sitting on top of the world

Oh!

I scream, you scream, we all scream for ice cream!

In the land of ice and snows
Up among the Eskimos,
There's a college known as Ogiwawa!
You should hear those college boys,
Gee, they make an awful noise
When they sing an Eskimo tra-la-la!

They've got a leader, big cheer leader,
Oh, what a guy!
He's got a frozen face just like an Eskimo Pie!
When he says, "Come on, let's go!"
Though it's forty-five below,
This is what the Eskimos all holler:

I scream, you scream, we all scream for ice cream!
Rah! Rah! Rah!
Tuesdays, Mondays, we all scream for sundaes,
Sis-boom-bah!
Boola-boola, sarsaparoola,
If you got chocolate, we'll take vanoola!
I scream, you scream, we all scream for ice cream!
Rah! Rah! Rah!

I scream, you scream, we all scream for ice cream!
Rah! Rah! Rah!
Frosts and malts that are peppered and salted,
Sis-boom-bah!
Oh, spumoni, oh, cartoni,
And confidentially, we'll take baloney,

I scream, you scream, we all scream for ice cream!
Rah! Rah! Rah!

It had to be you

It had to be you
It had to be you
I wandered around and finally found
The somebody who
could make me be true
Could make me be blue
or even be glad Just to be sad
thinking of you

Some others I've seen.
might never be mean
Might never be cross
or try to be boss
But they wouldn't do
For nobody else gave me a thrill
With all your faults I love you still
It had to be you, wonderful you
It had to be you

INSTRUMENTAL BREAK

Some others I've seen.
might never be mean
Might never be cross
or try to be boss
But they wouldn't do
For nobody else gave me a thrill
With all your faults I love you still
It had to be you, wonderful you
It had to be you

It's only a paper moon

C

It's only a paper moon hanging over a cardboard seed
But it wouldn't be make believe if you believed in me
It is only a canvas sky sailing over a muslin tree
But it wouldn't be make believe if you believed in me

Without your love it's a honky tonk parade
Without your love it's a melody played in a penny arcade
It's a Barnum and Bailey world
Just as phony as it can be
But it wouldn't be make-believe if you believed in me

Without your love it's a honky tonk parade
Without your love it's a melody played in a penny arcade
It's a Barnum and Bailey world
Just as phony as it can be
But it wouldn't be make believed if you believed in me

Just Friends

I saw you there last night
Standing in the dark
You were acting so in love
With your hand upon his heart
But you were just friends
At least that's what you said
Now I know better from his fingers in your hair
I forgive you for what you've done
If you say that I'm the one
I've had other options too
But all I want is you
Girl your body fits me like a glove
And you shower me with words of love
And you were just friends
At least that's what you said
Now I know better from his fingers in your hair
I forgive you for what you've done
If you say that I'm the one
It's not my style to lay it in on the line
But you don't leave me with a choice this time
Why weren't you true?
You know I trusted you
When you were just friends
At least that's what you said
Now I know better from his fingers in your hair
I forgive you for what you've done
If you say that I'm the one
You were just friends
At least that's what you said
Now I know better from his fingers in your hair
I forgive you for what you've done
If you say that I'm the one

I'll forgive you for what you've done
If you say that I'm the one

Lazy River

Bb

Well, up a lazy river, by the old mill run
The lazy, hazy river, in the noon day sun
Linger in the shade of a kind oak tree
Throw away your troubles, dream a dream with me

Well, up a lazy river, where the robin's song
Wakes a bright new morning, we can loaf along
Blue skies up above, everyone's in love
Up a lazy river, how happy you can be
Up a lazy river with me

Well, up a lazy river, where the robin's song
Wakes a bright new morning, we can loaf along
Blue skies up above, everyone's in love
Up a lazy river, how happy you can be
Up a lazy river with me

Love me or leave me

Love me or leave me and let me be lonely
You wont believe me but I love you only
Id rather be lonley than happy with somebody else

You might find the night time the right time for kissing
Night time is my time for just reminiscing
Regretting instead of forgetting with somebody else

There'll be no one unless that someone is you
I intended to be independently blue

I want you love, dont wanna borrow
Have it today to give back tomorrow
Your love is my love
Theres no love for nobody else

Say, love me or leave me and let me be lonely
You wont believe me but I love you only
Id rather be lonley than happy with somebody else

You might find the night time the right time for kissing
Night time is my time for just reminiscing
Regretting instead of forgetting with somebody else

There'll be no one unless that someone is you
I intended to be independently blue

Say I want your love, dont wanna borrow
Have it today to give back tomorrow
Your love is my love
My love is your love
Theres no love for nobody else

Ma, he's making eyes at me

Ma he's making eyes at me

Ma he's full nice to me

Ma he's almost breaking my heart

I'm beside him

Mecy let his conscience guide him

Ma he wants to marry me be my honey bee

every minute he gets bolder

Now he's leaning on my shoulder

Ma he's kissing me

Making Whoopie

Bb

Everytime I hear that march from Lohengrin,
I am always on the outside looking in,
Maybe that is why I see the funny side
When I see a fallen brother take a bride!
Weddings make a lot of people sad,
But if you're not the groom, it's not so bad.

Another bride, another June,
Another sunny honeymoon,
Another season, another reason,
For making whoopee.

A lot of shoes, a lot of rice,
The groom is nervous, he answers twice,
It's really killing that he's so willing
To make whoopee.

Picture a little love-nest,
Down where the roses cling;
Picture the same sweet love-nest,
Think what a year can bring!

He's washing dishes and baby clothes,
He's so ambitious, he even sews,
But don't forget, folks,
That's what you get, folks,
For making whoopee!

Another year, or maybe less,
What's this I hear? Well, can't you guess?
She feels neglected,
And he's suspected,

Of making whoopee.

Margie

Eb

Margie, I'm always thinking of you Margie
I'll tell the world I love you don't forget you promise to me
I have bought a home and ring and everything
for Margie you've been my inspiration
Days are never blue
After all is said and done
There is really only one
Oh, Margie, Margie it's you.

MY BONNIE LIES OVER THE OCEAN

My bonnie lies over the ocean,
my bonnie lies over the sea,
my bonnie lies over the ocean
so bring back my bonnie to me.
bring back, bring back
oh, bring back my bonnie to me, to me,
bring back, bring back,
oh, bring back my bonnie to me, to me!

Night and Day

Like the beat beat beat of the tom-tom
When the jungle shadows fall
Like the tick tick tock of the stately clock
As it stands against the wall

Like the drip drip drip of the raindrops
When the summer shower is through
So a voice within me keeps repeating
You, you, you

Night and day, you are the one
Only you beneath the moon or under the sun
Whether near to me, or far
It's no matter darling where you are
I think of you
Day and night, night and day, why is it so

That this longing for you follows wherever I go
In the roaring traffic's boom
In the silence of my lonely room
I think of you
Day and night, night and day

Under the hide of me
There's an oh such a hungry yearning burning inside of me
And this torment won't be through
Until you let me spend my life making love to you
Day and night, night and day

On my to heaven I shall not be moved

On my way to heaven, I shall not be moved

On my way to heaven, I shall not be moved

Just like a tree that's planted by the water

I shall not be moved

I'm on my way to heaven and I shall not be moved

On my way to heaven I will not be moved

I'm like a tree that's planted by the water

I shall not be moved

I shall not be, I shall not be moved

I shall not be, I shall not be moved

Just like a tree that's planted by the water

I shall not be moved

I shall not be, I shall not be moved

I shall not be, I shall not be moved

Just like a tree that's planted by the water

I shall not be moved

Well I'm on my way to heaven and I shall not be moved

On my way to heaven I shall not be moved

I'm like a tree that's planted by the water

I shall not be moved

Oh well

I shall not be, I shall not be moved

I shall not be, I shall not be moved

Just like a tree that's planted by the water

I shall not be moved

ON THE SUNNY SIDE OF THE STREET

Grab your coat and get your hat,
Leave your worry on the doorstep,
Just direct your feet, to the sunny side of the street.
Can't you hear a pitter pat?
And that happy tune is your step.
Life can be so sweet, on the sunny side of the street
I used to walk in the shade
With those blues on parade.
But I'm not afraid, this Rover, crossed over,
If I never have a cent, I'll be rich as Rockefeller,
Gold dust at my feet,
On the sunny side of the street.

PACK UP YOUR TROUBLES

Pack up your troubles in your old kit-bag
and smile, smile, smile.
While you've a lucifer to light your fag,
smile boys, that's the style.
What's the use of worrying?
It never was worthwhile,
so, pack up your troubles in your old kit-bag,
and smile, smile, smile.

RED ROSES FOR A BLUE LADY

I want some red roses for a blue lady
Mister florist take my or-der please
We had a silly quarrel the other day
Hope these pretty flowers chase her blue eyes away
Wrap some red roses for a blue lady
Send them to the sweetest gal in town
and if they do the trick, I'll hurry back to pick

ROLL OUT THE BARREL

Roll out the barrel,
we'll have a barrel of fun;
roll out the barrel,
we'll have the blues on the run.

Sing boom tarara,
sing out a song good cheer,
now it's time to roll the barrel,
now the gang's all here

ROSES OF PICARDY

Roses are shining in Picardy
In the hush of the silver dew
roses are lowering in Picardy
But there's never a rose like you
and the roses will die in the summer-time
and our roads maybe far apart
But there's one rose that dies not in Picardy
It's the rose that I keep in my heart

Route 66

If you ever plan to motor west,
just take my way it's highway that's the best.

San Francisco Bay Blues

C

Got the blues my baby out from San Francisco bay
Ocean liners gone so far away
didn't mean to treat her so bad
she's the best gal I ev-er have had
said 'goodbye', gonna make me cry
I'm gonna lay down and die

I ain't got a nickel , ain't got no lousy dime
don't come back I think I'm gonna lose my mind
If she ev-er comes back to stay
there's gonna be a-n-other brand new day,
walking with my baby down by the San Francisco bay

Siting down and looking through my back door
wondering which way to go
Woman I'm so crazy about, she don't want me no more
Think I'll take me a freight train, because I'm feeling blue
ride all the way to the end of the line think-in-on-ly of you

Meanwhile in a-n-other city, just a-bout to go in-sane
seems like I heard my baby the way she used to call my name
If she ever comes back to stay, there's gonna
be a-n-other brand new day
walking with my baby down by the San Francisco bay

Shaking the Blues Away

There's an old superstition 'way down south
Ev'rybody believes that trouble won't stay
If you shake it away
When they hold a revival way down south
Ev'rybody with care and trouble that day
Tries to shake it away

[Refrain:]

Shaking the blues away, unhappy news away
If you are blue, it's easy to
Shake off your cares and troubles

Telling the blues to go, they may refuse to go
But as a rule, they'll go if you'll
Shake them away

Do like the voodoos do, list'ning to a voodoo melody
They shake their bodies so, to and fro
With every shake, a lucky break

Proving that there's a way to chase your cares away
If you would lose your weary blues
Shake 'em away

SIDE BY SIDE

I haven't got a barrel of money.
may be we're ragged out and funny,
but we'll travel along, singing a song, side by side.
Don't know what's coming tomorrow,
may be it's trouble and sorrow,
but we'll travel along, singing a song , side by side.
Thru all kinds of weather, what if the sky should fail,
just as long as we're together, it doesn't matter at all.
When they've all had their quarrels and parted,
We'll be the same as we started
Yes, just trav'ling along, singing a song, side by side

Some of these days

Some of these days
you gonna miss me honey
Some of these days
You gonna be so lonely
You'll miss my hugging,
You gonna miss my kissing
you'll miss me only, when I'm far away
you gonna be so lone-ly
just for you only
for you know hon-ey
You've always had your ways
and when you leave me
Yes, you know it gonna grieve me
You gonna miss your blues singing Mama
some of these days.

Somebody stole my Gal

Bb

Somebody stole my Gal
Somebody stole my gal
Somebody came and took her-away
She didn't even say she was leavin'
The kisses I loved so
He's getting now I know
And Gee, I know that she would come to me
If she could see
Her broken-hearted lonesome pal
Somebody stole my gal

Someday you'll be sorry

Eb

Someday you'll be sorry
The way you treated me was wrong
I was the one who taught you all you know
Now friends have sent you to make me sing another song
Good luck may be with you
And may your future you not fear
There'll never be another
To treat you like a brother
Someday you'll be sorry dear

St. Louis Blues

I hate to see that evening sun go down
I hate to see that evening sun go down
'Cause, my baby, he's gone left this town

Feelin' tomorrow like I feel today
If I'm feelin' tomorrow like I feel today
I'll pack my truck and make my give-a-way

St. Louis woman with her diamond ring
Pulls that man around by her
If it wasn't for her and her
That man I love would have gone nowhere, nowhere

I got the St. Louis Blues
Blues as I can be
That man's got a heart like a rock cast in the sea
Or else he wouldn't have gone so far from me

I love my baby like a school boy loves his pie
Like a Kentucky colonel loves his mint'n rye
I love my man till the day I die

SWANEE

Swanee, How I love you, My dear old swanee
I'd give the world to be
Among the folks in d-i-x-i-even now my mammy's waiting for me
Praying for me, don't by the swanee
The folks up north will see me no more
When I go to the swanee shore, swanee - swanee
I'm coming back to swanee, mammy mafnmy
I love the old folks at home

Sweet Georgia Brown.

F

No gal made has got a shade
on Sweet Georgia Brown
Two left feet but oh so neat,
has Sweet Georgia Brown
They all sigh and wanna die,
for Sweet Georgia Brown
I'll tell you just why
You know I don't lie - not much
It's been said she knocks them dead
When she lands in town
Since she came why it's a shame,
how she cools them down
Fellers - she can't get are
Fellers - she ain't met
Georgia claimed her Georgia named her
Sweet Georgia Brown

SWEET GYPSY ROSE

Say has anybody seen my Sweet GypsyRose?
Here's a picture when she was my Sweet Mary Jo.
Now she's got rings on her fingers and
Say has anybody seen my Sweet Gypsy Rose?
Oh I got wind my Jo's been dancin' here in New Orleans,
In this smokefilled honky tonk they call the land of dreams.
Oh, here she comes struttin', in her birthday clothes.

Say has anybody seen my Sweet GypsyRose?
Oh, baby, baby, woncha come home?
Say, we all miss you, and every night we kiss your picture.
Say Rose, one night the lights go dim and the crowd goes home.
That's the day you wake up and you find you're all alone.
So let's say goodbye to Gypsy, hello Mary Jo.

Say has anybody seen my Sweet GypsyRose?

Thats my Home

The Autumn Leaves

The falling leaves drift by the window
The autumn leaves of red and gold
I see your lips, the summer kisses
The sun-burned hands I used to hold

Since you went away the days grow long
And soon I'll hear old winter's song
But I miss you most of all my darling
When autumn leaves start to fall

C'est une chanson, qui nous ressemble
Toi tu m'aimais et je t'aimais
Nous vivions tous, les deux ensemble
Toi que m'aimais moi qui t'aimais
Mais la vie sépare ceux qui s'aiment
Tout doucement sans faire de bruit
Et la mer efface sur le sable les pas des amants désunis

The girl from Ipanema

Tall and tan and young and lovely
The girl from Ipanema goes walking,
And when she passes, each one she passes goes, "Ahhh."

When she walks, she's like a samba
That swings so cool and sways so gentle,
That when she passes, each one she passes goes, "Ahhh."

Bridge:

Oh, but I watch her so sadly;
How can I tell her I love her?
Yes, I would give my heart gladly,
But each day when she walks to the sea,
She looks straight ahead, not at me.

Tall and tan and young and lovely
The girl from Ipanema goes walking,
And when she passes, I smile,
But she doesn't see, no she doesn't see,
No she doesn't see.

THE SHEIK OF ARABY

I'm the Sheik of Araby, your love belongs to me.
At night when you're a-sleep, into your tent I'll creep.
The stars that shine above will light our way to love.
You'll rule this land with me, I'm The Sheik of Araby.

THE SUNNY SIDE OF THE STREET

Crab your coat and get your hat
Leave your worries on the doorstep
Just direct your feet to
The sunny side of the street
Can't you you hear that pitter-pat
And that happy tune is your step
Life can be so sweet
On the sunny side of the street
I used to walk in the shade
With the blues on parade
But I'm not afraid
This rover crossed over
If I never have a cent
I'll be rich as Rockefeller
Gold dust at my feet
On the sunny side of the street

There'll be some changes made

For there's a change in the weather
There's a change in the sea
So from now on there'll be in change in me
My walk will be different, my talk and my name
Nothin' about me is going to be the same
I'm goin' to change my way of livin'
If that ain't enough
Then I'll change the way that I strut my stuff
'Cause nobody wants you when you're old and gray
There'll be some changes made today
There'll be some changes made

TIPPERARY

It's a long way to Tipperary,
it's a long way to go.
It's a long way to Tipperary,
to the sweetest girl I know.
Goodbye Piccadilly,
farewell Leicester Square.
It's a long long way to Tipperary,
but my heart's right there.

Toot-Toot-Toetsie Goodbye

Toot-Toot-Toetsie Goodbye

Toot-Toot-Toetsie Don't cry

he Choo-choo train that takes me, away from you

No words can tell how sad it makes me

Kiss--me tootsie and then, kiss me over again

watch for the mail, I'll never fail

If you don't get a letter then you'll know I'm in jail

Toot-Toot-Toetsie goodbye

Undecided

You say it's yes, and then it's no;

You say you'll stay, and then you go --

You're undecided now, so what are you gon - na do?

First you say you do, and then you don't,

And then you say you will, and then you won't;

You're undecided now, so what are you gon - na do?

Now you want to play, and then it's no,

And when you say you'll stay, that's when you go --

You're undecided now, so what are you gon - na do?

Bridge:

I've been sittin' on a fence, and it doesn't make much sense,

'Cause you keep me in suspense, and you know it.

You promise to return; when you don't I really burn,

Well, I guess I'll never learn, and I show it!

If you got a heart, and if you're kind,

Then don't keep us apart, make up your mind.

You're undecided now, so what are you gon - na do?

Instrumental Interlude: 2 Verses

First you say you do, and then you don't, no, you don't,

And then you say you will, and then you won't, no you won't --

You're undecided now, so what are you gon - na do?

Now you want to play, and then it's no, then it's no,

And when you say you'll stay, that's when you go, when you go --

You're undecided now, so what are you gon - na do?

Repeat Bridge:

If you got a heart, and if you're kind,

Then don't keep us apart, make up your mind.

You're undecided now, so what are you gon - na do?

WE'LL MEET AGAIN

We'll meet again, don't know where, don't know when,
but I know we'll meet again some sunny day.

Keep smiling thro ' just like you always do,
till the blue skies drive the dark clouds far away.

So will you please say hello to the folks that I know,
tell them I won't be long.

They'll be happy to know that as you saw me go,
I was singing this song.

We'll meet again, don't know where, don't know when,
but I know we'll meet again some sunny day!

When the Saints

F

Oh when the Saints
Go marching in
Oh when the Saints
Go marching in
I want to be among the number
When the Saints go marching in

And when the Sun no more will shine
And when the Sun no more will shine
I want to be among the number
When the Sun no more will shine

WHEN YOU WORE A TULIP

When you wore a tulip
A sweet yellow tulip
And I wore a big red rose.
When you caressed me,
T'was then Heaven blessed me
What a blessing, no one knows.
You made life cheerie
When you called me dearie,
T'was down where the blue grass grows

When you're Smiling

When you're smiling, when you're smiling
the whole world smiles with you
When you're laughing, when you're laughing
the sun comes shining through
But when you're crying you bring on the rain
So stop your sighing, Be happy again
Keep on smiling, Cause when you're smiling
the whole world smiles with you

Who's sorry now

Who's sorry now, who's sorry now?
Whose heart is achin' for breakin' each vow?
Who's sad and blue, who's cryin', too,
Just like I cried over you?
Right to the end, just like a friend,
I tried to warn you somehow;
You had your way, now you must pay;
I'm glad that you're sorry now.
Right to the end, just like a friend,
I tried to warn you somehow;
You had your way, now you must pay;
I'm glad that you're sorry now.

YES SIR, THAT'S MY BABY

Yes Sir, that's my baby,
No Sir, don't mean maybe
Yes Sir, that's my baby now
Yes Ma'am we've decided,
No Ma'am, we won't hide it
Yes Ma'am, you're invited now
By the way, by the way,
When we reach that preacher I'll say,
Yes Sir, that's my baby
No Sir, don't mean maybe
Yes Sir, that's my baby now

YOU ARE MY SUNSHINE

You are my sunshine, my only sunshine,
you make me happy, when skies are grey.
You'll never know dear, how much I love you,
please don't take my sunshine away.

The other night dear, as I lay sleeping,
I dreamed that you were by my side.
I'm disillusioned, when I awoke dear,
you were gone and then I cried.

I'll always love you and make you happy
If you will only say the same
But if you leave me to love another
You'll regret it all some day
